**Sunflower no-denomination**

Size: 16.3x11.5 cm. 1Ph  
Several printings between 1995 and 2005. The following are main changes found in the various printings. Further shades exist.

**1st issue:**  
Paper printed pink inside ("Israel Postal Authority" in Hebrew). Fine printing.

**2nd issue:**  
Paper printed blue text inside.

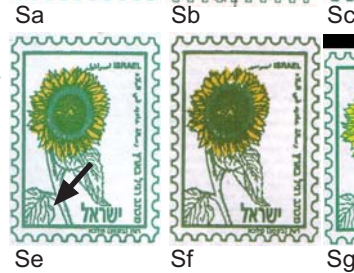

**3th issue:**  
Blue printed text -the letters are smaller.

**4th issue: new design**  
Without yellow print on the leaf. No text printed inside and instead printed blue all over.

**5th issue: new design**  
The stamp is reduced to 30mm. Without yellow print on the leaf.

**Reverse "to open"**  
A removable self-adhesive sticker exits on some issues. It is printed in black "DAFRON" (The name of the printing house) and with added words "TO OPEN" 9in Hebrew.
