NY Consulate cancellation on SR.REV.209 and 210

There were additional labels used for taxation for various specific purposes, such as traffic tax revenues, trafic violation fees, tobacco tax, etc. Unlike the listed stamps, these labels were not for sale by the postal offices. (Readers are advised to consult the research by Wallerstein *"Specialized Catalogue of Palestine and Israel Revenues"* for detailed information)

Treasury Revenues: Invoice Tax Revenues
(Mas Cheshbonot = úåðåáùç ñî)

Purpose: legalization of selling invoices. The use of these stamps was stopped with the implementation of the Value Added Tax (VAT). Until that time they served the same purpose as tax collection. Each stamp had a printed tab with an identical serial number. The stamp was affixed to the original invoice, the tab to the invoice copy as proof of payment.
