The Gaza stripe was occupied by Israeli troops from 01.11.56 - 06.3.57. On 3 March 1957 the Gaza strip was returned to the Egyptian Postal Administration. The Israeli civil mail authority operated in four offices for a short period:

	opening date
Gaza	10.12.56
Chan Yunes	01.01.57
Dir el Balach	03.01.57
Raphiach	22.01.57

Genuine commercial covers are not often seen. Philatelic made envelopes are very common.

The Egyptian post was active in the Gaza strip until its occupation on 5 June 1967 (The six days war), and since then was never returned to Egyptian administration. The Israeli post served the area until the establishment of the Palestinians self ruled administration on 1991.
